ABOUT ME

Aspiring software engineer with strong skills in full-stack web and app development, and a solid grasp of data structures and algorithms. Aiming to solve real-world problems and currently exploring machine learning to build intelligent systems. Seeking internship opportunities to apply and grow technical skills.

EDUCATION

BMS College Of Engineering, Bangalore <i>B.E. in Computer Science and Engineering</i>	2022-2026 CGPA:7
Deeksha PU College, Bangalore <i>Intermediate/+2</i>	2020-2022 91%
Delhi Public School, Bangalore South <i>CBSE Class X</i>	2010-2020 93.4%

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL, JavaScript, HTML/CSS
Frameworks: React, React Native, Node.js, FastAPI
Database Technologies: MongoDB, PostgreSQL, MySQL, FireBase
Domains: Full-Stack Development, App Development (ios/android)
Version Control: Git/GitHub

PROJECTS

- BMS College Canteen App** | *React Native, Firebase, Figma, REST API's* June 2024 – Present
- **Built a cross-platform food ordering app** (React Native + Firebase) serving **1,000+ students** for seamless browsing and ordering
 - Structured **Firestore with 4+ dynamic** categories and **real-time stock updates**
 - **Cut manual errors in order handling by 60%** by implementing automated cart and order management
 - **Reduced average canteen queue wait time by 40%** through digital ordering and real-time order updates
- Interior Design Website** | *JavaScript, HTML, CSS, Express.js, MongoDB* Nov 2023 – Feb 2024
- **Developed a full-stack interior design website** using the **MERN stack** (MongoDB, Express.js, React, Node.js) to showcase and manage design portfolios
 - **Built a dynamic project catalog** with CRUD operations, enabling designers to upload, update, and display **50+ interior design projects**
 - **Implemented responsive UI with React** and optimized API calls, improving page load speed by 35% across devices
 - **Integrated MongoDB for scalable data storage**, ensuring seamless handling of client inquiries and design requests

CERTIFICATIONS

Udemy: The Complete Full-Stack Web Development Bootcamp
Certificate: [View Certificate](#)

Udemy: Complete React Native Bootcamp (with Hooks)
